

Hariom Yogi Guest House

Referral Partner Terms - earn 5% of the entire bill

Opposite the New Airport Gate, Kasongha, Lungi, Sierra Leone

The offer

Send us a guest. When the guest pays, we pay you 5 percent of the entire bill the guest pays us. There is no cap: the more business you bring, the more you earn. Anyone can be a partner.

How it works

1. Tell us your name and phone number BEFORE the booking is confirmed (WhatsApp +232 90 380 100). The owner accepts each referral.
2. The guest books direct with us: WhatsApp, yogistay.com, phone or walk-in naming you.
3. The guest pays. You earn 5 percent of the net amount the guest actually pays: rooms, food, shuttle and extras.
4. We pay you as soon as the guest has paid: Orange Money, Africell Money, cash or bank transfer, with a short note of the stay.
5. If a payment is refunded or the guest cancels, commission on that amount is not owed.

Good to know

Bookings made on Expedia, Trip.com, Airbnb, Vrbo or Booking.com do not earn commission, because those platforms already take theirs.

Use only our approved prices and wording. Please never promise a room, a price or a free pickup. We may decline any booking.

You are independent and responsible for your own taxes. Either side can stop at any time; stays already booked still pay.

Example

A guest pays US\$360 for the stay. Your commission is US\$18, paid as soon as the US\$360 has been received.

Rooms from US\$50 per night, free cancellation up to 24 hours before check-in, reception open 24 hours.
